

The 14th International Conference on Construction and Project Management

Welcome to the official website of the **14th International Conference on Construction and Project Management (ICCPM 2023)**, which will be held during **September 22-24, 2023**, in **Beijing, China**.

ICCPM 2023 aims to bring together researchers, scientists, engineers, and scholar students to exchange and share their experiences, new ideas, and research results about all aspects of Construction and Project Management, and discuss the practical challenges encountered and the solutions adopted. The conference will be held every year to make it an ideal platform for people to share views and experiences in Construction and Project Management and related areas. For more details of the conference schedule, please feel free to contact us at iccpm@iedrc.org. The full version of program will be given in mid-August.

Submission

- Paper Regular: Each paper must be no more than 5 pages (including the abstract, figures, tables, and references).
- Submission Methods: Papers for publication must be submitted in full paper electronically

<http://confsys.iconf.org/submission/iccpm2023>

Or you can send to email box: iccpm@iedrc.org

Publication

For papers submitted to the ICCPM 2023, we offer publications as follow:

International Journal of Structural and Civil Engineering Research (IJS CER)
Indexing: Google Scholar, Cross-ref, CNKI, etc.
ISSN: 2319-6009 (Online) Doi: 10.18178/ijscer

- [Paper Template IJS CER Copyright](#)

Journal of Advanced Management Science (JOAMS)
Indexing: Ulrich's Periodicals Directory, CNKI, Google Scholar, Crossref, Engineering & Technology Digital Library and Electronic Journals Digital Library
ISSN: 2168-0787 Doi:10.18178/joams

- [Paper Template JOAMS Copyright](#)

Important Dates

Submission Deadline	May 20, 2023
Notification Deadline	June 20, 2023
Registration Deadline	July 10, 2023

Conference Committee

◆ Conference Chair

Prof. Lonny Simonian, California Polytechnic State University, USA

◆ Program Committee Chairs

Assoc. Prof. Andrea N. Ofori-boadu, North Carolina Agricultural and Technical State University, USA

Assoc. Prof. Jingzhi Guo, University of Macau, China

Senior Lecturer Rashid Maqbool, Northumbria University, Newcastle, UK

◆ Publicity Co-Chairs

Assoc. Prof. Masa Noguchi, University of Melbourne, Australia

Assoc. Prof. Claudia León-Chavarri, Universidad Peruana de Ciencias Aplicadas, Perú

◆ Conference Technical Committee

Prof. Gordon Huang, University of Regina, Canada

Dr. Fonbeyin Henry Abanda, Oxford Brookes University, UK

More information, please view: <http://www.iccpm.org/com.html>

Call for Papers

Topics of interest for submissions include, but not limited to:

Urban Construction and Applications

Architectural design and urban planning
Urban infrastructure construction
Planning and construction of sponge city
Smart city construction

Engineering and Management

Structural Design and Theory
Built Environment Management
Urban Planning and Management
Information and Communication Management
Environmental and Plant Engineering

Industrial Engineering and Management

Decision Support Systems and Models
Human-Machine Environment System
Supply Chain Management and Modeling
Production logistics system

Safety Engineering and Management

Security Theory and Practice
Disaster Modeling and Simulation
Disaster Risk Analysis
System Analysis and Decision Making

Entrepreneurship Projects and Management

Project management, strategy and competitiveness
Sustainable entrepreneurship
Learning in entrepreneurship

More information, please view:
